3. (a) Alice and her sister were sitting under the trees.

(b) Alice was not interested in her sister's book because it had no pictures on conversation in it.

(c) Alice was feeling very sleepy and stupid before he spotted the rabbit.

4. (a) Having been surprised after seeing the rabbit taking a watch out of its pocket, looking at it and hurrying on, Alice jumped to her feet.

(b) Alice was surprised because she had never before seen a rabbit with either a pocket or a watch to take out of it.

(c) After jumping to her feet she ran quickly across the field after the rabbit.

5. (a) The hole was strange because Alice was falling so slowly through it that she had time to think and look around her, even to take things from the cupboard on the walls and to keep them in the down ones.

(b) while falling down the hole, she looked at the sides of the hole where she could see cupboards, books and pictures on the walls. She took things from the cupboards and put them back in the lower. Once after having a look on them.

(c) No, she was not afraid while falling down. Her activities like collecting things from the cupboard on the walls and putting them back and her mental state expressed through her remarks during her falling show that she was not afraid at all.
