

Maths: Lesson 1: Number System: Std-VI

Dear students, You have already learnt about the number system in your previous classes. However, in class-VI you need to re-collect your previous knowledge and learn larger numbers and some of new aspects of numbers.

Key Aspects

- Hindu-Arabic Number System
- Face value and Place value
- Expanded form & Compact form
- Comparison of number/Arranging in order
- Forming greatest/smallest or both numbers from given digits
- International Number system
- Rewriting numbers using Hindu-Arabic or International number system
- Operations on Large numbers i.e.
 - Addition
 - Subtraction
 - Multiplication
 - Division

You need to go through your Maths book and learn page no. N-3 to N-8 and page no. N-11 to N-12 also some of the solve word problems of page no. N-13 to N-15

NOTE: In this regard, you can see the video in youtube: <https://youtu.be/i7AFqlaZmZA>

Your Assignments

1. Ex-1A Q-1 → iv), v) & vi) Q-9 → iii) & iv)
 Q-2 → iii), v) & vi) Q-10 → ii) & iii)
 Q-3 → iii) & iv) Q-11 → iii) & iv)
 Q-4 → i) & ii)
 Q-5 → ii)
 Q-6 → c) & d)
 Q-7 → ii) & iii)
 Q-8 → iii) & v)
2. Ex-1B
 Q-1 → iv) & v)
 Q-2 → iv) & v)
 Q-3 → iv) & v)
 Q-4 → iv) & v)
3. Ex-1C
 Q-1 to Q-5 all
