Dear Parents,

If you have any problem in making the fee payment in full, please let me know it in writing as individuals. We have already deducted the tuition fees in your favour.

Parents who are capable of paying the fees, please do so, in order to indirectly help those who cannot owing to the present crisis.

Regarding the fees other than the tuition fee will be adjusted with the next academic session if we are not in a position to conduct regular classes.

Make sure not to come in group up in arms against the decision of the management. Your support and co-operation is always solicited. Let us stand together as one family to face the pandemic.

The principal shall not meet the parents as per the safety measures. Can give in writing the issues related to academics at the counter.

Keep calm, be positive and remain healthy.

Thank you,

God bless !
